

NOTE ON TROPICAL CYCLONES OF 1961

GORDON E. DUNN

U.S. Weather Bureau, Miami, Fla.

[Manuscript received May 19, 1962]

On the basis of the preceding article by Fay, and the radar presentation at Atlantic City (see his figure 8b), the tropical storm of September 12–15, 1961, has been added to the list of tropical cyclones of 1961 (cf. [1]). A revised tabulation is given in table 1 and the track of the added storm is shown in figure 1.
